

East Bridgford Parish Council

This site will enable you to find out about our vibrant community and understand the role and responsibilities of the Parish Council. We are very much part of the community and we hope our website reflects this, with all the news and information you might need about your village as well as your Parish Council.

There is a webpage notifying the dates of our meetings and agendas and minutes are also available to view. There is a useful Which Council Does What page which should help to direct you to the right place for your queries or concerns.

If you have any comments or useful information, we would be delighted to hear from you. The Parish Council welcomes all your questions, comments and suggestions.
